

# Music & Worship Arts Academy

## Orchestra Supply List, 2017-18

### Instrument (Violin, Viola, Cello or Bass)

Prices vary

Students will need to obtain an instrument from a music store, and their rates are extremely reasonable. I highly recommend renting an instrument from Lisle Violin ([www.violins.com](http://www.violins.com)) rather than buying an instrument. There are many advantages to this, and the folks at Lisle will be glad to help you.

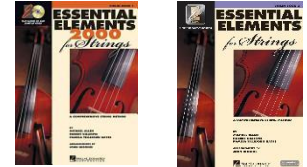

### Method Book

\$9.99 each

Students will need to purchase a printed copy of their class book.

- Beginning students need Essential Elements 2000 For Strings Book 1-brown
- 2nd year students need: Essential Elements 2000 For Strings Book 2-purple
- 3rd year and beyond students need Essential Technique 2000 for Strings, Book 3-green

If you are unsure of the correct book for your student, please contact Dr. Sexton. **Be sure to obtain the correct book for your instrument.**

### One inch, Three Ring Binder

All students will need a one inch three ring binder with inside pockets for papers and music.

### Pencils and Erasers

Students should have a pencil and eraser with them in class every session.

## Required Home Supplies

### Smart Music Subscription

\$40.00

Please do not subscribe to SmartMusic until after the initial parent meeting. All orchestra students will be required to use SmartMusic throughout the year. The program can be downloaded from any computer with internet access. Be sure to download it to the computer the student will use when practicing.

### Computer Microphone

\$ included in registration fee

In order to use SmartMusic at home, students will need a microphone that plugs into the computer. Many newer computers have a built-in microphone, but a free microphone will be provided as needed.

### Orchestra T-shirt

\$ included in registration fee

All students will be required to wear their orchestra t-shirt at different events. Instructions for ordering the shirt for this year will be provided in class.
